

JIANZI

Kick around a weighted shuttlecock with this simple yet crazy fun toy. Relax by passing it back-and-forth between friends in a leisure activity. Or ... engage in a high stakes high rewards winner takes all sport of JIANZI!

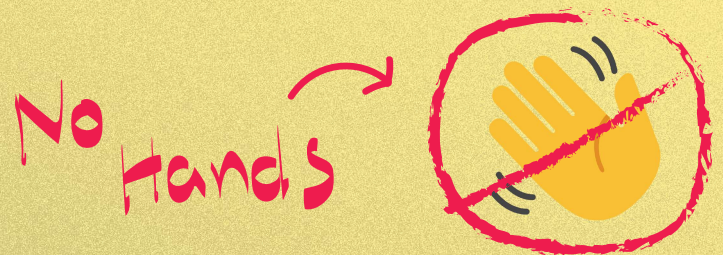

* Experiment with the gameplay

GAME INSTRUCTIONS

- Try and keep the Jianzi in the air between players for as long as possible without touching the ground.
- You can hit the Jianzi with any body part except for your hands.

MATERIALS

*** THESE ARE SUGGESTED, BUT BE CREATIVE AND USE OTHER MATERIALS IF YOU DON'T HAVE THESE!!!

PLASTIC CUPS
(OR CARDBOARD, OR ANYTHING ELSE!)

FEATHERS
(CAN BE MADE OUT OF PAPER)

TAPE
(ANY WILL DO!)

SCISSORS

STRAWS

PAPER CLIPS
(OR WIRES OR ANYTHING ELSE!)

WOODEN DOWELS

1. MAKING THE BASE

* LOOK AT THE LAST PAGE FOR STENCILS

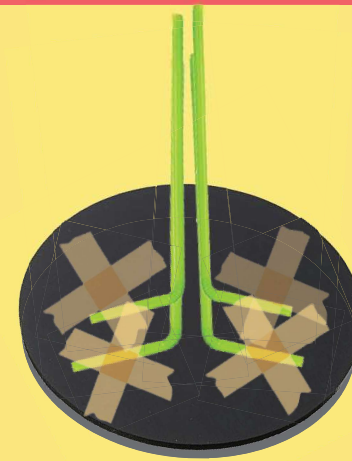

CUT OUT LITTLE RINGS FROM PLASTIC CUPS OR ANY OTHER MATERIALS YOU HAVE USING THE STENCIL PROVIDED (ON THE LAST PAGE).

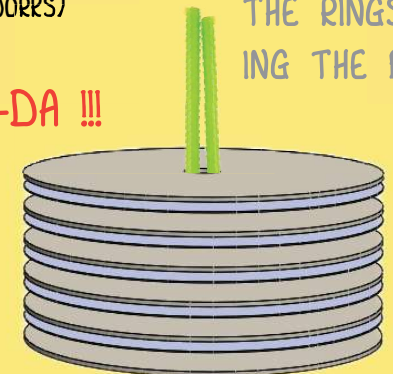

X MANY!
(10 USUALLY WORKS)

PSSST! ITS HELPFUL TO HAVE A LOT OF THE RINGS BECAUSE THE HEAVIER YOUR BASE IS, THE BETTER THE TOY WORKS!

ATTACH 4 STRAWS TO THE BOTTOM MOST RING USING ADHESIVE SO THAT THEY LOOK LIKE THE PICTURE ABOVE. THESE STRAWS WILL HOLD OUR FEATHERS IN PLACE!

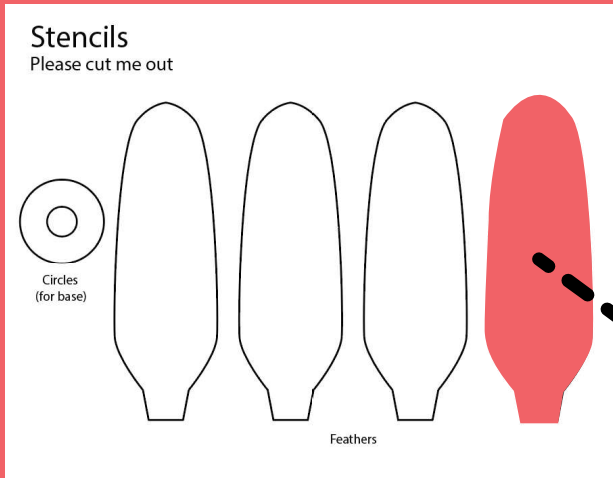

TA-DA !!!

SLIDE THE STRAWS THROUGH THE RINGS FORMING THE BASE!

2. THE FEATHERS

* IF YOU HAVE NORMAL FEATHERS SKIP THIS STEP!

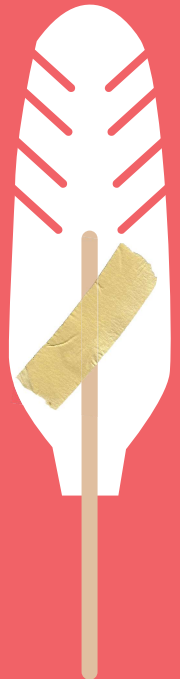

CUT OUT THE FOUR FEATHERS FROM THE STENCILS PAGE!

TAPE THE WOODEN DOWELS TO THE PAPER FEATHERS. THESE WILL GIVE OUR FEATHERS SOME MUCH NEEDED SUPPORT!

So strong!! 

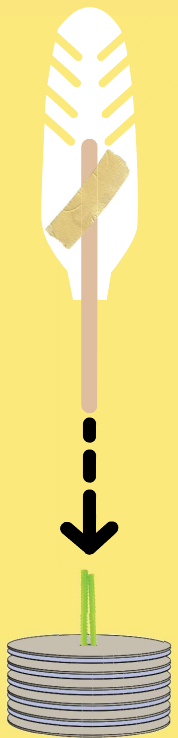

x 4

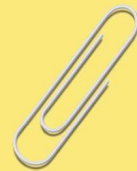

CUT DIAGONALLY ON BOTH SIDES OF THE FEATHER. NOW WE GOT A GOOD LOOKING FEATHER ON OUR HANDS!

3. ASSEMBLING

Now go crazy
with decorating!

=

WOW!

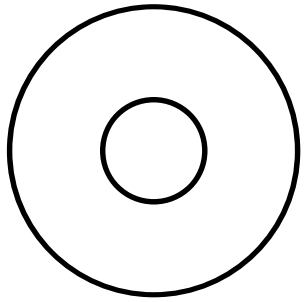

INSERT ALL FOUR FEATHERS INTO SEPARATE STRAWS SO THAT THEY FIT SNUGGLY IN PLACE. SOME SORT OF ADHESIVE MAY BE NECESSARY.

USE A PIECE OF WIRE OR STRAIGHTENED OUT PAPER CLIP AND BEND IT AROUND DOWELS NEAR THE BASE. WITH THIS IN PLACE, OUR RINGS WON'T GO FLYING OFF WHEN WE KICK THE JIANZI!

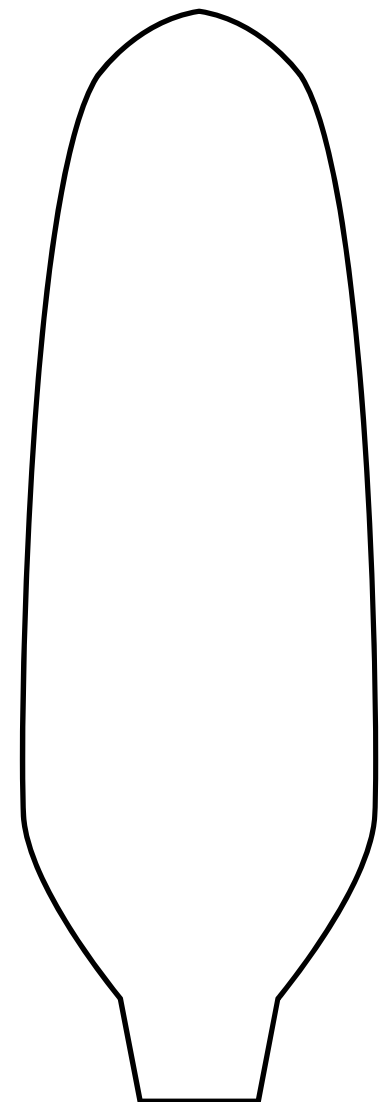

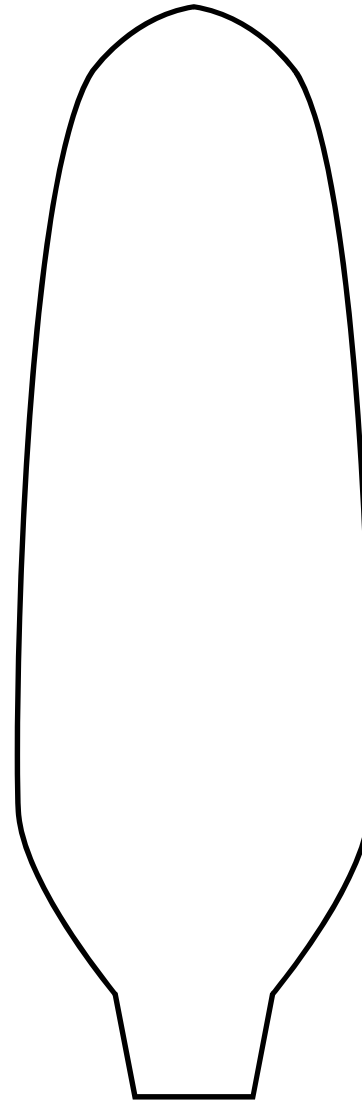

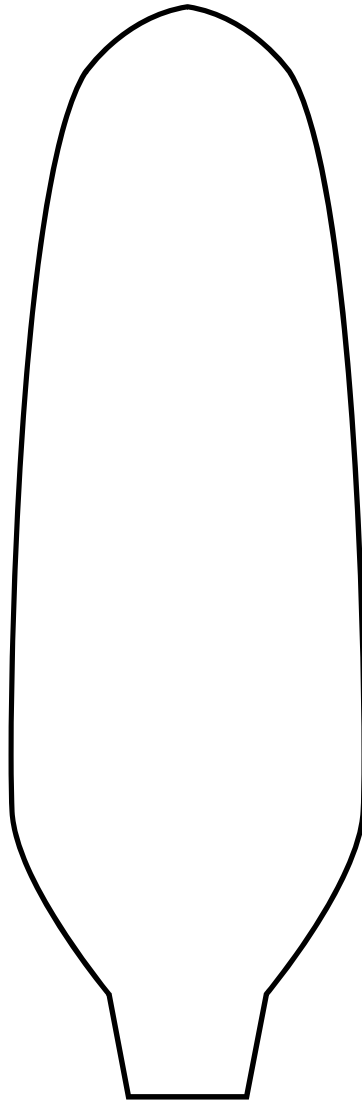

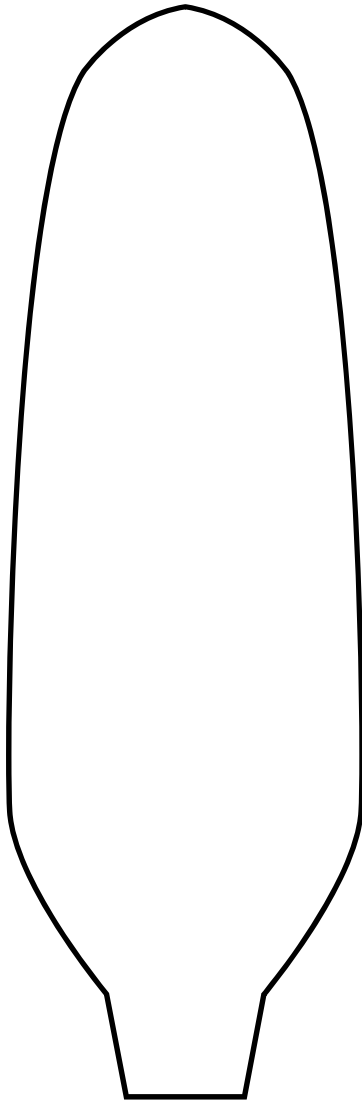

WITH THAT WE HAVE OUR FINISHED JIANZI! LOOKIN' GREAT!

Stencils

Please cut me out

Circles
(for base)
